March 12, 2019

Dear Parents and Guardians:

To date, we have had to close school six days due to the weather. We would like to thank everyone for your flexibility and understanding as these difficult decisions are made.

We also understand that there is pending legislation in both the House and Senate that may be coming to the Governor at some point this spring, forgiving some or all of the weather-related closings schools have had. However, at this point nothing is final and no decisions are complete.

On March 11, 2019, the HLWW School Board approved to make up two (2) of the student days we have missed this year due to weather related closings.

HLWW Public Schools WILL BE in session on the following days:

Friday, March 22, 2019

Thursday, April 25, 2019 – late start is cancelled (full day of school)

Thursday, June 6, 2019 (this will be our last day of school and will be an early release)

We understand that families may have had plans for their children on these days (appointments, vacations, etc.). If that is the case, please contact your child's school and the staff will work with you and your child in regards to this schedule change.

As always, our mission is to educate your children and prepare them for success in college, career and life. We are hoping for a mild finish to the winter and uninterrupted learning days.

Sincerely,

**Brad Sellner
Superintendent**
