- C. Nothing in this policy shall prevent any person from reporting harassment or violence directly to a school district human rights officer or to the superintendent. V. INVESTIGATION

- A. By authority of the school district, the human rights officer, within three (3) days of the receipt of a report or complaint alleging harassment or violence prohibited by this policy, shall undertake or authorize an investigation. The investigation may be conducted by school district officials or by a third party designated by the school district.
- B. The investigation may consist of personal interviews with the complainant, the individual(s) against whom the complaint is filed, and others who may have knowledge of the alleged incident(s) or circumstances giving rise to the complaint. Where appropriate, the parties will have the opportunity to provide information to the investigator in writing prior to conclusion of the investigation as well as to identify other witnesses or evidence to be considered in the investigation. The investigation may also consist of any other methods and documents deemed pertinent by the investigator.
- C. In determining whether alleged conduct constitutes a violation of this policy, the school district should consider the surrounding circumstances, the nature of the behavior, past incidents or past or continuing patterns of behavior, the relationships between the parties involved, and the context in which the alleged incidents occurred. Whether a particular action or incident constitutes a violation of this policy shall be made based upon substantial evidence and requires a determination based on all the facts and surrounding circumstances.
- D. In addition, the human rights officer may take immediate or interim steps, as appropriate, to protect the target or victim, the complainant, and students, teachers, administrators, or other school district personnel pending completion of an investigation of alleged harassment or violence prohibited by this policy. Immediate or interim steps may include, but are not limited to, counseling, extensions of time or other course-related adjustments, modifications of work or class schedules, campus escort services, restrictions on contact between parties, changes in work or

educational locations, leaves of absence, increased security and monitoring of certain areas of the school campus, and other similar accommodations. These immediate or interim steps will be individualized and appropriate based on the information gathered by the human rights officer and may be adjusted during the investigation to ensure that the measures remain effective. The human rights officer will communicate with the parties throughout the investigation to ensure that any interim or immediate measures continue to be necessary and effective based on the evolving needs of the parties.

- E. The alleged perpetrator of the act(s) of harassment or violence shall be allowed the opportunity to present a defense during the investigation, including a written response to the allegations, and the opportunity to identify other witnesses to be interviewed or other evidence to be considered prior to the imposition of discipline or other remedial responses. The alleged perpetrator will be provided the date of the alleged incident(s), the location where the alleged incident(s) took place, and the school policies, procedures or rules allegedly violated.
- F. The investigation will be completed within ten (10) work days. If the investigation cannot reasonably be completed within ten (10) work days, the human rights officer shall document the reason(s) why the investigation cannot be completed within the designated time frame and shall determine the estimated time as to when the investigation will be complete and how a determination of that time frame was reached. When extensions of the initial time frame are needed to complete the investigation, the human rights officer will notify the complainant(s) and individual(s) against whom the complaint is filed, and advise the parties of the estimate time frame for conclusion of the investigation. The human rights officer shall make a good faith effort to ensure that in any event, the investigation is concluded within sixty (60) work days of the filing of the complaint. The school district human rights officer shall make a written report to the superintendent upon completion of the investigation. If the complaint involves the superintendent, the report may be filed directly with the school board. The report shall include a determination of whether the allegations have been substantiated as factual and whether they appear to be violations of this policy.

VI. SCHOOL DISTRICT ACTION

- A. Upon completion of an investigation that determines a violation of this policy has occurred, the school district will take appropriate action. Such action may include, but is not limited to, warning, suspension, exclusion, expulsion, transfer, remediation, termination, or discharge. Disciplinary consequences will be sufficiently severe to try to deter violations and to appropriately discipline prohibited behavior. School district action taken for violation of this policy will be consistent with requirements of applicable

collective bargaining agreements, Minnesota and federal law, and applicable school district policies and regulations. In addition, if the school district's investigation finds that a violation of this policy occurred, the school district will offer to provide counseling, academic support or other services deemed appropriate to remediate the effects of the harassing conduct on the complaint(s) and others to deter the reoccurrence of the harassment.

- B. The results of the school district's investigation of each complaint filed under these procedures will be reported, in writing to the complainant(s) and perpetrator(s) in accordance with state and federal data privacy laws. The complainant(s) and perpetrator(s) shall be advised on how to report subsequent harassment and/or retaliation. The notification will include any initial, interim, or final decisions of the school district, any sanctions imposed by the school district and the rationale for the result and sanctions. The reporting party will be informed whether the school district found that the alleged conduct occurred, any individual remedies offered to the reporting party or any sanctions imposed on the responding party that directly relate to the reporting party, to the extent permitted by data privacy laws, and other steps the school district has taken to eliminate the harassment. The school district is not authorized to disclose to a victim private educational or personnel data regarding an alleged perpetrator who is a student or employee of the school district. School officials will notify the parent(s) or guardian(s) of targets or victims of harassment or violence and the parent(s) or guardian(s) of alleged perpetrators of harassment or violence who have been involved in a reported and confirmed harassment or violence incident of the remedial or disciplinary action taken, to the extent permitted by law.
- C. In order to prevent or respond to acts of harassment or violence committed by or directed against a child with a disability, the school district shall, where determined appropriate by the child's individualized education program (IEP) or Section 504 team, allow the child's IEP or Section 504 plan to be drafted to address the skills and proficiencies the child needs as a result of the child's disability to allow the child to respond to or not to engage in acts of harassment or violence
- D. The school district will maintain records of its investigation of complaints in a secure location, separate from an employee's or student's file. Records shall include a copy of the complaint or other reports of incidents involving allegations of harassment; a copy of the written report of the investigation, including a narrative of the actions taken by school district personnel in response to the reports; a description of the disciplinary sanctions issued against the perpetrator(s) who violate the policies and procedures of the school district; documentation of interim, remedial or disciplinary measures taken, and all actions taken to prevent a recurrence of any incident(s) and/or retaliation; and any notices to the parties regarding the investigation same;

documentation. Documentation will be maintained in a manner that allows the school district to easily cross reference complainants, alleged perpetrators and basis of the alleged harassment/violence in future investigations for the purpose of determining if a pattern of harassment may exist or if additional remedial actions are needed to deter harassment.

VII. RETALIATION OR REPRISAL

The school district will discipline or take appropriate action against any student, teacher, administrator, or other school district personnel who commits an act of reprisal or who retaliates against any person who asserts, alleges, or makes a good faith report of alleged harassment or violence prohibited by this policy, who testifies, assists, or participates in an investigation of retaliation or alleged harassment or violence, or who testifies, assists, or participates in a proceeding or hearing relating to such harassment or violence. Retaliation includes, but is not limited to, any form of intimidation, reprisal, harassment, or intentional disparate treatment. Disciplinary consequences will be sufficiently severe to deter violations and to appropriately discipline the individual(s) who engaged in the harassment or violence. Remedial responses to the harassment or violence shall be tailored to the particular incident and nature of the conduct.

VIII. RIGHT TO ALTERNATIVE COMPLAINT PROCEDURES

These procedures do not deny the right of any individual to pursue other avenues of recourse which may include filing charges with the Minnesota Department of Human Rights, the United States Department of Civil Rights, initiating civil action, or seeking redress under state criminal statutes and/or federal law. Complainants may pursue a criminal complaint or use the school district's complaint procedure or both processes simultaneously. The school district may defer its proceedings in view of a criminal investigation, but will conclude its investigation within sixty (60) working days of receipt of a complaint, except in extraordinary circumstances.

IX. HARASSMENT OR VIOLENCE AS ABUSE

- A. Under certain circumstances, alleged harassment or violence may also be possible abuse under Minnesota law. If so, the duties of mandatory reporting under Minn. Stat. § 626.556 may be applicable.
- B. Nothing in this policy will prohibit the school district from taking immediate action to protect victims of alleged harassment, violence, or abuse.

X. DISSEMINATION OF POLICY AND TRAINING

- A. This policy shall be conspicuously posted throughout each school building in areas accessible to students and staff members.
- B. This policy shall be given to each school district employee and independent contractor who regularly interacts with students at the time of initial employment with the school district.
- C. This policy shall appear in the student handbook.
- D. The school district will develop a method of discussing this policy with students and employees.
- E. The school district may implement violence prevention and character development education programs to prevent and reduce policy violations. Such programs may offer instruction on character education including, but not limited to, character qualities such as attentiveness, truthfulness, respect for authority, diligence, gratefulness, self-discipline, patience, forgiveness, respect for others, peacemaking, and resourcefulness, and/or sexual abuse prevention.
- F. This policy shall be reviewed at least annually for compliance with state and federal law.
