

Mission:

“Provide a positive learning environment that recognizes diversity, instills life-long learning skills, and nurtures each individual’s unique potential, talents and self-worth through academics, fine arts, and athletics.

Values:

Howard Lake-Waverly-Winsted School District will:

Ensure a safe and respectful learning environment

Empower all members of our school community

Demand high quality instruction in every classroom

Provide high quality programs at all levels

Hold high expectations for all stakeholders

Build positive relationships

Foster Creativity

Promote critical thinking and problem solving skills

Respect all individuals

Utilize resources efficiently and effectively

Vision Statements:

Howard Lake-Waverly-Winsted School District will:

Appropriately and effectively use data to meet the needs of all students

Increase the integration of current and future technologies

Provide ongoing, research-based professional development that addresses students’ current and future educational needs

Build and maintain facilities to meet the growing needs of our students and communities

Motto:

“ Excellence Through Education ”
