#### STUDENT TRANSPORTATION

The bus transportation service for District 2687 allows a family to determine their bus pick up and drop off sites. These morning and afternoon sites may be at different locations.

Please establish a <u>permanent pick up/drop off location</u>. This location might be at home, a neighbor or a day care provider. Temporary pick up/drop off location may be possible if it does not affect pick up/drop off of other students.

If there is a permanent change in your child's transportation a note is required three days in advance.

Please remember your child will be sent home every day on his/her assigned bus unless we receive a note (each and every day) stating differently! It is not enough for your child to tell the teacher that he/she should go to someone else's home.

This form needs to be completed and returned to the school office.
